## Can you help them find a new home...?

**RIDING FOR THE DISABLED KENDALL IS LOOKING FOR A NEW HOME!!**

The Kendall RDA and the community of Kendall have been very lucky to enjoy the current RDA centre at Batar Creek Road, Kendall for 20 years. Blessed with the good fortune of support from a local family who have allowed the RDA centre and their horses, to operate on their acreage. With the horses being well housed and looked after. **HOWEVER, THE TIME HAS NOW COME FOR RDA TO FIND A NEW PROPERTY FOR THEIR CENTRE!!**

They need your help to find a new benefactor who may have a local property of some 10 acres or more, and would welcome them to set up home there in return for providing ground maintenance to the property and looking after the land. "Our horses are very dear to us" said President, Elizabeth Wallace, and we need to find them a good secure home in the very near future. Our riders have very special connections to Bella, Matty, Lulu, Clare, Flare, Jamie & Coco. The prosperity of the Kendall Centre is due to hard work and commitment from its members, volunteers, local community and its sponsors and all are ready to take on this challenge. Elizabeth, is confident that the Camden Haven Community will give their assistance in helping make this move..

**IF YOU CAN ASSIST RDA PLEASE CONTACT US AT THE RIDING FOR THE DISABLED KENDALL CENTRE.**

## Kendall Music Exchange

By Alison

JAMUKA sure brought in the people on 3rd July and what a fabulous night of wonderful music it was once again at the Kendall Community Hall. The guest artists were brilliant and so were all the walk up artists. We got quite a surprise when a young chap from Bonny Hills got up and started playing the piano. Kieran Rogers is only 15 years old, but he wrapped the audience around his fingers easily. Kieran said: 'I wasn't going to come and play - my Dad made me come!' . But then, when the night was finished, he got back up on stage and really let loose - fantastic! What a great thing it is that we can have people come and share their music and other people come and witness and listen and so much appreciate, whatever may happen on the night - and yes - we were nice and snug and warm!

So, this month, on Friday 7th August, the main guest artists will be the singing group WEDNESDAY. Wednesday are a small 'a Capella' group, formed over 5 years ago, with a view to provid-

ing experienced singers with challenging music to sing. Their musical Director is Elly Franchimont. A large amount of their repertoire is arranged by Rachel Hore or Steven Taberner, both well known arrangers in the Australian Music Scene. Wednesday sing many styles of music and have great fun presenting to an audience a song which has been a challenge to learn.

As always, you are very welcome to bring your instrument along and share a couple of your songs, or just come and listen to all the beautiful music.

Doors open at 6.30 pm for 7 pm start. Entry is by donation. And - yes - the hall will be fully air conditioned.

Next month, on Friday 4th September, we welcome KEVIN ATKINS as our main guest artist. Kevin plays the piano. He is from Lake Cathie and regularly plays his fabulous piano music at the Glasshouse Lunch Time

Concerts. Kevin has played the piano all his life and he is very much looking forward to playing for us in September.

## Sydney Conservatorium Ensemble

By Alvena Ferguson

Classical music lovers will be delighted that one of Professor Goetz Richter's students is a member of the Sydney Conservatorium Ensemble coming to play at Kendall on Sunday 9 August. Accompanied by David Miller AM, violinist Li Gu will be joined by flautist Laura Chung, Brett Gomez (guitar), tenor Ryan Patrick O'Donnell and cellist George Yang.

The Sydney Conservatorium Ensemble

George was chosen as Principal cellist of the Conservatorium Symphony Orchestra in the beginning of 2014 and led many programs including "A celebration of Peter Sculthorpe's life" concert filmed by ABC including playing solo cello alongside the famous Didgeridoo player William Barton.

Aside from playing classical music, Brett Gomez enjoys playing flamenco guitar and tries to incorporate elements of the style into his music whenever possible.

Ryan Patrick O'Donnell spent his teenage years as a theatrical actor, where he discovered his love of singing while performing in high school musicals. After working in film, television and video production, he made the decision to pursue classical singing and is now working towards a professional career in opera and art song.

Laura Chung is currently undertaking a combined Music and Medicine degree at the University of Sydney, studying with Emma Scholl, Associate Principal Flute of the Sydney Symphony Orchestra.

These musicians are clever and talented young people, chosen especially by tour leader David Miller for their

commitment and scholarship in their chosen musical fields. They will present a varied program including chamber ensemble pieces from composers as varied as Claude Debussy, Felix Mendelssohn, Brahms, Schubert and Beethoven; duets of Violin and Cello, Violin and Guitar, Flute and Guitar and solos designed to showcase their virtuosity on violin, cello, guitar and flute.

This concert will be a feast of beautiful music for those who appreciate the variety and subtlety of classical music.

Afternoon tea with the performers will follow the concert. Tickets will be sold at the door from 1.30pm and cost \$18 for adults and \$8 for children.

Enquiries to Alvena Ferguson on 0401 608 240.

## *CWA Kendall July Meeting* By Gael Mackenzie

Guest speakers John Laurie and Dean Magennis from Mid North Coast Command, Licensing Police had us all enthralled and horrified as we learned about the high incidence of alcohol related anti-social behaviour, crime and violence. Their job, seen as the "anti-fun" police, has broad applications. They not only check up on licensed premises (clubs, pubs, nightclubs and events) to make sure regulations are adhered to, they also try to keep under-age drinkers on their radar at all times. A tough job when often it is parents who are supplying kids with booze. Heartening news that policies and laws are gradually changing and licensed outlets are coming on board to help them in their important work of keeping everyone in the community safe.

Camden Haven School to School shared pathway representatives spoke to us about what they are hoping to achieve with safe paths for children to walk to school.

Kath was able to show us the wonderful posters from the International and Ag/Environment Officers

being sent to Group for judging.

Good news that our charitable donations both international and national were larger this year and with little discussion the various recipients were decided on. Well done ladies on all the fund raising!

We are always interested in seeing new faces at our meetings, so if you are local and want to meet some new people, or if you are a visitor and want to see what CWA is about, we welcome you to our meetings, no obligation to join: 3rd Tuesday each month at the Kendall War Memorial hall (next door to the club) at 10am. ## *Chocolate Mousse-Cake Dessert*

From Jodie

I have always had a soft spot for Chocolate and here is the latest little creation on Albert St. This is a very easy recipe that looks really yummy. To start off find some lovely glassware and layer with a base of mousse then add some fresh or left over chocolate cake pieces. Add a drizzle of melted chocolate. To finish off dust with some desiccated coconut and a sprig of mint. Most of this recipe can be done from the packet bought from the store. However the Mousse is the pièce de résistance particularly when the following recipe is followed...

### **Ingredients**

**1 block of Green n Black Organic Chocolate**

**3 medium to large sized eggs**

Melt the chocolate (careful not to burn) in a saucepan over really low heat or inside another pot of boiling hot water. At the same time separate eggwhites and whisk until it forms peaks. Place egg yolks into melting chocolate and fold together. Then add the chocolate to eggs whites and whisk until completely blended. Pour into glasses and place in fridge for a few hours. Enjoy!!

*Kendall Op Shop Report*  
From Judy

More than forty Op-Shop volunteers enjoyed a mid-year meeting and luncheon at the Showground on Monday 13th July. This yearly event gives volunteers the opportunity to put forward ideas and keep up to date with the

general business in the running of the Op-Shop as well as meeting up with other volunteers. As always the barbeque, in the hands of our very competent male volunteers, was of the highest standard and the salads and desserts provided by the ladies, just delicious.

The half price winter sale begins on Monday 17th August and finishes on Saturday 29th August. This is a store wide sale with 50% off all items excluding Kendall memorabilia. Now is the time to stock up on winter clothing, shoes, handbags and backpacks, books, magazines, tapes, DVD's, crockery, manchester and jewellery. Children's wear, toys and games are included in the sale. You will be sure to find something for all the family.

The Kendall Op-Shop is honoured to be hosting this year's Women in Service Luncheon at the Kendall Services Club in August. The luncheon recognises and shows appreciation to women who give their time to the numerous service groups from Port Macquarie to Harrington.

With sadness we note the passing of volunteer Prue Stitt and former volunteer Cassie Bannerman, sincere condolences to their families from all at the Op-Shop.

We welcome new volunteers Gwen Hall and Alma Randall.

During the July School Holidays the Driver Receiver was kept very busy with over 300 travellers calling for a break and a drink, we are very pleased to be able to say we helped prevent any pending fatalities on the road also a big thanks to all the Volunteers for their contribution to such a good cause.

In the near future look out for the Aussie Colours on our new flags which will be flying, another proud venture we are pleased to contribute to.

The War Memorial is looking grand with the flag being raised daily by the Volunteers, and a start is beginning on the men's toilets with quotes being made and sinks ordered, our ladies toilet is just about complete, we are about to have murals painted on the walls, well worth a wee visit.

On 18th July Volunteers were invited to come along to the Information Centre and give their valued opinion on the design and colour they would like for the new T-shirts which are about to be pur-

chased for the volunteers, these shirts will also include our insignia "The Big Axe" . The shirts are to be worn during the volunteers roster at the centre and will include "Volunteer" embroidered on the shirt, these shirts will be free of charge which will be given after a designated time the volunteer serves at the centre.

We have received new stock this month which includes hanks of alpaca wool so warm for that winter jumper, beautiful quilts on sale, wood work pot stands, something you can never have enough of and ideal for that little gift to a friend, woollen adult socks, great for winter, also beautiful shawls to keep you warm all arrived this month and all local crafts, remember when you are looking for a gift come and see us you will be supporting local crafts.

## **Australian Open Trophies to visit Kendall for the Opening of New Courts**

Many members of the community have been very busy working on the new Tennis club located behind the swimming pool in Kendall. What an outstanding job everyone has done in getting these courts up in what seems like record time. Well done to the many Kendall Community members!

Now it is almost time to get ready and celebrate the opening of the courts which coincides with the arrival of the Australian Open Trophies from Melbourne Park. Keep the **22nd of August** open to come on down and check it out.

### **The following is Kendall Tennis Clubs Media Release...**

It's been a 10 year battle for more courts in Kendall with the first lot of funding allocated in 2005. With a growing membership of over 300 for just 3 courts the club is excited to now have 6 courts in total. It wont all be smooth running as the new courts are at a new location in Orara Street behind the Kendall pool with the committee having to manage two centres to cater for everyone. An amenities/clubrooms are next to be built at the new site to commence in September. Kendall have been top of Tennis Australia's Australian Open Blitz competition for two years running taking out the competition this year with their player Novak Djokovic. Part of the win is the Australian Open Trophies to visit Kendall on Saturday 22nd August for the opening of the new courts. " This is an exciting time not only for the club but for the Kendall community. The club has raised over \$200,000 itself towards the project with other project partners contributing including the NSW Government, Port Macquarie Hasting Council, Tennis Australia and Multisport Concepts. We are holding a fun day for everyone with the Official Opening at 12pm. We have local dignitaries as well as those travelling from Sydney and Melbourne for the Opening . The event is open to everyone, and it's a great opportu-

nity to check out the new courts which are blue just like the Australian Open surface and have your photo taken with the trophies. " said club president Wendy Hudson. The trophies will visit local schools Camden Haven High and Kendall Public on Friday 21st August. The event is open from 11am through to 3pm with lots of fun activities , food stalls and exhibition. The official open will be at 12pm with a special unveiling on centre court."

## Camden Haven Pony Club

By Karen Madden

Camden Haven Pony club Camp held from the 5th to the 9th of July was a huge success with thirty two kids attending coming from as far as Sydney in the south and Dorrigo in the North. The variety of horse disciplines was fantastic, and the instructors from around the Mid North Coast were so enthusiastic with the kids, western pleasure, hacking, dressage, show jumping, campdrafting, and the bare back polo cross was very entertaining just to name a few. The organised night time entertainment of red faces and disco were also a big hit with the kids.

Congratulations to Lacey Fitzgerald on being awarded the instructors award for camp. Lacey was recommended by all instructors on her participation and enthusiasm in all groups. Troop drill was once again a very competitive conclusion to camp with an outstanding win by the troop led by Sara Lucas and Olivia Telfer.

A special thankyou to Jamie Baker who travels from Sydney to spend the week organising and assisting with making sure the days activities run smoothly and of course being camp Dad. A huge thankyou to the hard working organisers, cooks, cleaners, ring assistants etc. we really appreciate you giving up your time to allow our riders to enjoy a week of camp.

St Clair's High school held the 2nd annual Taree Horse sports day on the 17th of July this event is open to primary and secondary school students. One hundred and forty keen students and their steeds from the area participated in hack, rider, pairs & pleasure classes with sporting events to follow. Shania Madden, Jazmin Madden, Olivia Telfer and Talia Cranfield from Camden Haven High School and Clancy Mullins from Kendall Primary represented their schools in force. Shania Madden receiving Champion Secondary school point score and Champion 15yrs point score, Jazmin Madden receiving 13yrs point score, excellent

results from all kids who attended.

Oxley Island pony club held their ribbon & trophy day on the 19th of July with some outstanding results from our riders, youngest equestrian Ella Niddrie on led line receiving 1sts and 2nds in all classes thanks to nan Donna and boot camp, at the end of the day ending up with Champion led line. Congratulations also to our newest pony club member Holly Hunt who had an awesome day receiving Champion Beginner, Lacey Fitzgerald receiving Champion point score, Zoe Groth Reserve champion 13 under 15 point score and Jazmin Madden Reserve champion 11 under 13 point score.

Pony club training plus Ross Green dressage instructor and mounted games training made for a busy day last Sunday the 26th and all the busy parents who volunteered for the working bee, the pc shed sparkles.

Teams are starting to come together for our much anticipated Zone 9 mounted games event to be held on the 23rd of August. This event is extremely exciting and hotly contended.
