KENDALL CELEBRATES ITS HERITAGE

Sunday 13th April dawned bright and sunny and continued throughout this exciting day in Kendall for the opening of Heritage Week in the Camden Haven.

The day began with the Poets breakfast at 8am at the Kendall Services Club, which was very well attended with great entertainment.

Next stop was the Town

Green where a Scottish Pipe Band played and the smell of barbecued sausages filled the air courtesy of the Kendall Mens Shed.

Mayor Peter Besseling presided over the unveiling of a life-sized metal sculpture of a bullock team made by Bennetts Steel Co. The audience was entertained with varied and interesting stories of yesteryear from local residents Kendall Heritage President, Ray O'Neill and Bill Boyd, who remembered when Kendall was heavily involved in the local timber industry.

A lot of attention was given to numbers of magnificently restored motor vehicles from local classic and vintage car clubs lining the street.

The action then moved to the Kendall Railway Station where huge numbers of people waited to welcome the XPT from Sydney. The

crowd cheered and the train driver responded with many

blasts from the horn. The driver was presented with a certificate commemorating the arrival of the first train into Kendall Station 100 years ago. The passengers on the train seemed a little confused at all the fuss when they saw the huge crowd on the station who enthusiastically cheered and waved the train in when it arrived and then departed on its way to Brisbane.

SNIPPETS FROM THE PAST

Kendall Heritage Association's Sandra Haswell recently came across an old Camden Haven Courier newspaper printed in June, 1954 and kindly provided these interesting 'snippets' from the paper.

Heron's Creek Accident..Bonfires are as a rule good fun but sometimes things go wrong. Mrs. Grimstead of Heron's Creek had the misfortune to break a leg when she attended a bonfire recently.

Kendall Catches Up...A stamp selling machine has been installed at Kendall Post Office for your convenience. No reason is given by the Postmaster-General for the preferential treatment of Laurieton, where the machine was installed early in March.

Kendall News.... Mr. Woodhart, Stationmaster at Kendall, who has lived in Kendall for 4 1/2 years was transferred to Sydney. The reason for his transfer was ill health. He has taken up duties as a clerk in the dispatch office at Central Railway Station. Mrs. Woodhart expects to leave in May. The School of Arts Committee will regret his departure as Mr. Woodhart served as its treasurer. He was also an active member of the RSL Branch, Kendall.

Dr. Chambers Away ...Dr Chambers will attend a post-graduate course in Canberra and will be away from Sunday April 17th to Monday 26th (Anzac Day) inclusive. Kendall Surgery hours will be changed as from Tuesday April 27th onward.

And the following advertisement appeared for the Kendall Co-Op store.

BLENDING OF SITE.....SIGHTS INSIGHTS.....in local Kendall Garden

Open on Sat 10th & Sun 11th May 10—4.30 pm
13 Fagan's Crescent, Kendall

Deb Wilson will be going ahead with opening her garden, "Wilson's on the Wetlands" even though her husband Jeff sadly passed away in January.

Deb will have the help of her two daughters, Jess & Ashley, and, working as a team, they have prepared their garden so that it looks immaculate under the colourful autumn leaf change.

Tunnels of trees, intimate spaces, nooks & crannies, quirky reused artefacts juxtaposed with a lovely spacious lawn are a backdrop to restored wetlands let you wander over the easy walking 4 acres of exotic autumn trees combined with native trees.

A perfect Mother's Day Outing.....with barista brewed coffee available in the garden, Miss Nellie's Cafe is just around the corner, Kendall Op Shop, Wool shop, Railway Craft Shop, Kendall Takeaway and Kendall Services are all nearby.

Adults \$7 children under 18 free. Monies to "The Hastings Home Hospice Inc." who support Palliative care in our area. Thanks to them Jeff passed his final days at home.

ANZAC DAY IN KENDALL 2014

The Anzac Day commemoration here in Kendall was extremely well attended on a rather grey morning but the showers held off until the end which was a blessing for all present. The service was ably conducted by Kendall RSL sub-branch President, Lance Gainey, with many participants including Leslie Williams MP, and Camden Haven High School Students, Chloe Lockhart and Paige Savage. Betty Boyd gave a beautiful rendition of 'Abide with Me'. On completion of the event, Lance called on Donna, the leader of the Kendall Pony Club (pictured below). to come forward at the end of the ceremony and presented her with a large bag of carrots to be given to all the ponies ridden in the parade!

(Photos courtesy of Trish Mullen)

The crowd greatly enjoyed Lance's gesture as did the horses seen here tucking into those nice juicy carrots.

HOME FOR GRAND PIANO IN KENDALL

Thanks to the recent Kendall Community Op Shop grant and goodwill gesture from the Camden Haven Arts Council, the beautiful Kawai Chamber Grand Piano has been acquired for the use and pleasure of the community and is safely housed in the Kendall School of Arts Hall. The Reserve Trust can now go ahead with plans to present a series of concerts promoting local talent, while other organisations will be delighted to have the piano available when hiring the Hall.

The acquisition is a great boost for local fine music. The Kendall Hall is renowned for its acoustics and amenities and bookings are sure to increase when the word spreads that this high quality grand piano is available for hire to professional musicians and approved local performers.

The many music lovers who were disappointed with the demise of Camden Haven Arts Council will be delighted that concerts and fine music will be able to continue. The Kendall Hall is seen at its best when the piano is the centre piece on the stage and the audience is anticipating the appearance of the pianist.

The improvements over recent years include sanding and polishing the original timber floor, historical photos on the walls, windows that now open and shut, installation of roof insulation and air conditioning, electrical rewiring to phase 3, interior exterior painting and renovation of the Proscenium Arch, an essential part of the heritage listed building.

There has also been complete renovation of the office and computer room (CTC).

All of this makes a visit to the heritage-listed hall, especially to participate in hall activities, a pleasurable experience.

KENDALL MENS SHED NEWS

The Kendall Mens Shed continues to be a force in the local community. Our originally built picnic tables and chairs are selling, and the men are enjoying themselves immensely. So if you are interested or even curious give us a visit, on Tuesdays and Thursdays.

Our Kendall Karnivale is developing into a real interest market, so if you are moving or downsizing, turn up on the first Sunday of the month around 7am, take up a stall, for only \$15 and sell all your treasures. There is no need to book just be set up as early as you can. Meanwhile the Shed, currently has some bargains. A \$20 push motor mower, various caravans and car bits and a plethora of old and interesting tools, and I do not mean the members! We have various chairs and tables, so come along and strike a bargain.

We are also keen to start a private car sales yard, we decided if people can sell from the boot of their cars why not sell the whole thing, so if you are keen to upgrade and need to move the old car, bring it along, same deal, and we will try to attract a buyer, similarly if you want a bargain, maybe the first Sunday of the month Kendall is the time to look.

Our membership is growing, and we promote an air of fun, and mayhem, 'If is not fun, don't do it,' We do make to order, but we might be a little lax with a deadline, in fact we will probably ignore it, but give us a try anyway.

**HASTINGS AQUATICS
KENDALL, WAUCHOPE & LAURIETON
THANK YOU EVERYONE!**

IT'S BEEN AN AWESOME SEASON!

It's that time of the year again that our swim season comes to an end. It comes around so fast and always feel too soon. The weather has been perfect over the last couple of weeks and pool temperatures so warm, all pools will be closed as of Thursday 24 April, 2014.

Block 2 Swim School has finished at the Wauchope Pool with Kendall and Laurieton finishing Friday 28th March. Congratulations to all the Swim School kids big and small, your progress and achievements in your Learn to Swim Levels and Water Safety Skills is outstanding.

We have had so many swimmers representing their school and swimming club at local, regional and state level, it's a credit to YOU, your family, coaches and teachers.

Keep an eye on our *Hastings Aquatics Facebook* site and the local papers to follow the swimmers going onto State Swimming Championships next month, we are very proud of them.

The R.L.S. SWIM & SURVIVE weekly program has been exciting to conduct for our local participating schools; Kendall PS, St. Jo-eyes PS and Laurieton PS with this year the Home School Families joining in on Mondays at Kendall Pool as well.

Seeing the kids performing their rescues, CPR Swims & Survival Strokes is awesome. The highlight however has to be putting them through their Survival Challenge Day. On the last day of their program they have to manoeuvre their way through the pool, slide down slippery mud banks, through turbulent rapids, under bridges, roll logs, dive to the deep for lost objects (no goggles), come up under an overturned canoe, commando crawl to safety, get away from a shark, be tumbled about by giant waves, signal for help, tread water for up to 5 minutes, and all with clothes or life jackets on for some — **AND THEY SURVIVE!!** It's great **FUN**.

(Continued on Page 5...)

KENDALL PUBLIC SCHOOL invite everyone to their **FIRST FETE** on Saturday 10th May from 10am – 3pm
There will be lots to see and do with rides, stalls, magic shows, prizes and plenty of food will be available

COME ALONG AND JOIN IN THE FUN!

Our fitness programs, SWIM FIT & AQUA FIT, have been busy at all pools with the launch of our first Aqua Fit starting at Wauchope in January proven to be a winner—definitely back next Season.

SPLASH Playgroup will be missed - all our baby and preschoolers who come along to do their craft, play games, sing and have storytime have had a fantastic summer at their pools. This was an initiative started at the Laurieton Pool and with its popularity, Kendall Pool began one as well. We took the program over to Wauchope Pool at the start of January and again it has been a hit, so bigger and better next season Mums, Bubs and Kids!!

Parents often ask 'what shall we do in the winter, will my child regress by not swimming regularly?' My answer is always 'NO, they won't regress. I think it's a great opportunity to give them some other Gross Motor Development opportunities such as Soccer, Football, Gymnastics, Dancing and when they jump in the pool next season they won't have forgotten and their natural physical development will take them to another level. Enjoy a different challenge!

Thankyou to everyone who completed the short survey form and for giving us some feedback so we can reassess and plan our next pool season. We value your contribution and are always looking for new ideas.

See you next season - mid September—you will start seeing and hearing about the pools opening, keep an eye on our website www.hastingsaquatics.com.au

NEWS FROM CAMDEN HAVEN
SEA SCOUTS

The Camden Haven Sea Scouts, just spent the weekend in Taree on a Survival camp. They had eight different challenges that they had to participate in. One of the challenges was a food challenge. The cubs had to eat different foods to gain points for their pack. The Camden Haven Cubs rose to the occasion by eating octopus tentacles, Chicken hearts, smoked mussels, anchovies, dolmades, and custard tarts. The cubs threw themselves into every challenge and had a great time from running around in the bush to cooking a two course meal or even the mud slide and quick sand obstacle course, they had a blast. This is one of the many camps that they will be involved in over the year maybe you should come and join in the fun, Wednesday, 5:30pm, Tunis Street, Laurieton.

Pentimento presents

Kendall PhiloMusica

@ Kendall School of Arts 2014

www.livemusicsydney.net

Kendall PhiloMusica is a series of concerts and pre-concert talks which explores music in its relationship to philosophy at the Kendall School of Arts. Music responds to the questions and concerns of the times in which it is written. Many great musicians such as Beethoven, Wagner or Schumann were avid readers of literature and philosophy. How do questions and thoughts of philosophy find their way into music? Can music consider, pose or answer pressing and fundamental questions of philosophy? Can philosophy be musical? Presented by violinist and philosopher Goetz Richter, pianist Jeanell Carrigan and musicians from the Sydney Conservatorium, **Kendall PhiloMusica** intends to explore such questions in a clear, audible and inspired way.

One hour Pre-concert talk and discussion (11.30 am) followed by performance (2 pm), Kendall School of Arts

We are looking forward to seeing you there.

May 25: The twilight of Music: Music according to Friedrich Nietzsche
Music by Schumann, Wagner, Mahler and Friedrich Nietzsche.

July 27: "We search for the infinite everywhere, but we always only find things" (Novalis): Why Romanticism inspired the musicians.
Music by Mendelssohn, Spohr, von Weber, Beethoven and E. T. A. Hoffmann

November 16 Beethoven and the demands of the Absolute

NOTICE

Kendall Mens Shed Reward System

We all have noticed that some idiot has acquired a can of paint and decided the town should see his 'art'

Graffiti is not, and never was, art in any form, it is simply the vandalism of others people's property, no more, no less.

Someone in the community knows who this dope is, so we embark on the Kendall Mens Shed Rewards Programme - give a name to the police, and on conviction we will pay the reporter \$200.

So do the right thing by the community, let the police know who this fool is.

Now if my description of the perpetrator has somehow offended you, just re-read, and in the appropriate area place the words, 'stalwart of society'.

The heritage day was an absolute pearler, the weather was perfect, the sausages well cooked, until a white commodore and green holden ute felt the need to prove to all and sundry, that they cared not for road rules or pedestrian safety. Despite our age, all the folk in the Kendall Green area can read, and can also recognise numerals. Registration plates are relatively easy, the police can read them too. If you drive a bright green ute with blue registration plates and a loud exhaust, it makes no sense that you want to keep proving to the community that you don't want your licence to drive. Why don't you just hand it in and save us all some trouble.

John Haldane

Letters to the Editor . . .

Reference Mavis Barnes' report, under **Fire Brigade**, of the Networking meeting in March, printed in your latest edition of the Chronicle.

We, the Lorne Rural Fire Brigade wonder if Kevin O'D of the **Camden Haven RFB** is suggesting that we of the **Lorne RFB** are all old and past it!! That is far from the truth, being **young** (in spirit), **fit** (in our own minds) and **able** to do anything (we already know how to do). And we would love others of like abilities to join us.

NB. Many activities are a bit boring and easy, but we do have our moments, enjoying them all - the camaraderie is what makes it great.

Regards.. (with tongue firmly in cheek) John Carter, Secretary of the wonderful and exciting Lorne Rural Fire Brigade.

KENDALL BUSH POETS BREAKFAST 2014

Our Poets breakfast was held on Sunday 13th April 2014 at Kendall Services & Citizens Club, and was a huge success with 90 people attending. This event was organized by The Good Life in Kendall in conjunction with the Kendall Heritage Society and was the first event for this year's Heritage week.

We are most grateful to those who attended from Port Macquarie, Laurieton, Lake Cathie, Bonny Hills, Comboyne, Lorne and Kendall. During breakfast many attendees recited their own poetry, as well as verse/poems written by poets of renown and others. Special thanks are extended to Leslie Williams, State Member for Port Macquarie, and Peter Besseling, Mayor of Port Macquarie Hastings Council for their attendance and obvious enjoyment. Many thanks to the Chef and restaurant staff at Kendall Service & Citizens Club for presenting an excellent breakfast buffet.

WALKING INFORMATION WITH i-Kew INFORMATION CENTRE

Autumn is just around the corner and nature's beautiful colours will be all around us soon, an ideal time to take that early morning bush walk, if you are unsure of where to go why not call into the i-Kew information centre and pick-up a leaflet with directions on eight different walks which can be done in the Camden Haven with short pleasant walks or walks no longer than 8 k maximum.

We also have the leaflets for our community "Walking for Pleasure" which has a weekly program which takes a variety of walks each Wednesday in the area and once a month taking a trip to nearby areas, the program can be obtained from i-Kew information centre on the years activities.

You may prefer a walking tour of Historic Port Macquarie with Mitch McKay, listen to the stories, visit some of our historical sites and see how our history is being interpreted. The walks are from Wednesday to Saturday with a maximum of 2-1/2 hours walk, the brochure can be obtained from the i-Kew information centre.

Longworth's Tramway Heritage Walk is an interesting walk going back in History with the Longworth tramway timber transport, The location of this Heritage Walk includes that portion of the tramway track bed corridor that lies within North Brother State Forest on the north bank of Upsalls creek.

The National Parks of Camden Haven have some fascinating walks, none more so than the walk to Middle Brother National Park, it is a heavily forested area with stands of sub-tropical rainforest and old growth forest. The park protects two of the largest known living Coastal Blackbutt trees in N.S.W. These are called the Bird tree which is 69 metres in height, has a girth of 11 metres and about 300 years old, and Benaroon the local aboriginal word for this species of tree. The Giant-barred Frog an endangered species, exists in the park as well as two bent-wing bat species, Spotted tailed quolls, large forest owls and the yellow bellied glider.

At the Information Centre we carry leaflets on Bush Fire Safety for Bushwalkers.

Before Bushwalking you should check: Fire Danger Ratings obtained on www.rfs.nsw.gov.au or on the Fires Near Me Smartphone application

Weather conditions at www.bom.gov.au also check if there is a **Total Fire Ban** in place. All leaflets can be obtained from i-Kew Information Centre Kew.

KENDALL DISTRICT GARDENERS

John advised us that last month's speaker, Ben White a weed officer from the Port Macquarie Hastings Council, has generously offered assistance from the council weed officers in the form of being available to come to our meetings to identify any weeds members may want to know about. It was suggested that this would be useful 3 to 4 times a year.

Next month it is hoped to have a speaker about biodynamic gardening.

The Open Gardens held on March 29 were well attended and expected to add about \$1400 to the funds. Many thanks to all who participated in such a successful venture.

The Meeting Place Global Gardens will be open on 4 May. The Camden Haven Garden Club is hosting a River Cruise on Tuesday 13 May. All welcome and to bring a plate for morning tea. Please advise John if attending. Cost will depend on numbers.

Show and Tell: A gourd was displayed and a Toad Lilly identified. Casuarina flowers were passed around for people to see.

This month's guest speaker was none other than President Carter, (John) who gave a talk on propagation. A number of methods were discussed from putting cuttings in water to planting straight into potting mix. Different types of plants are more suitable to particular methods of propagation. For example, *impatiens* can develop roots in water and then be carefully planted into a pot.

Some plants such as *Wisteria* will generate roots where a stem node touches the ground
 John showed us different propagation growing mediums. His propagating mix recipe is 1 part peat, 4 parts vermiculite and to 2-3 parts coarse sand. John will not be hosting next month's meeting. You will need to attend to see his substitute!
 The meeting concluded with John Carter thanking all who had assisted in today's meeting.

Jim Lewin **Next meeting May 19**
