

Foster Carers Needed

More than caring

WESLEY DALMAR Out-of-Home Care has a 120 year history of providing care to children and young people

Foster Carers needed in our Community.

Are you an empty nester? Do you have room in your home and heart?

Wesley Dalmar has a HUGE need for people who can care for children and teenagers in our local community. Reliable, caring people with a sense of humour are needed to share their homes with children to provide a stable caring and nurturing environment.

Can You Help?

Wesley Dalmar particularly needs carers for sibling groups and children with challenging behaviours. We are looking for families who can provide short term breaks for carers as well as long term periods of care

Support provided to Wesley Dalmar Foster Carers:

- ★ Careful matching of the children's needs with the skills you have to offer
- ★ Carer allowances and financial assistance
- ★ Friendly, flexible, and approachable foster care team that considers your family and lifestyle
- ★ 24 hour support
- ★ Ongoing training and development
- ★ Opportunities for meeting and sharing with other foster carers
- ★ Providing a safe environment for children to thrive and develop their individual uniqueness

You can find out more about the rewards that foster care has to offer by ringing Wesley Dalmar OOHC on 65520277 or email mncfostercare@wesleymission.org.au
